

BroncoTea

For asthma and allergies

A herbal tea comprising of herbal extracts like *Ginkgo biloba*, *Curcuma longa*, *Glycyrrhiza glabra* amongst others helps to alleviate the asthma symptoms by clearing the respiratory passage and easing the heavy breathing.

Ingredients	Therapeutic Use
<i>Camellia sinensis</i>	Rich in antioxidants that help in reducing inflammation of the lungs.
<i>Ginkgo biloba</i>	Reduces inflammation of the airways and increases lung capacity thus easing the breathing process.
<i>Foeniculum vulgare</i>	Relieves the muscle spasms in the bronchial passages and possesses expectorant properties.
<i>Curcuma longa</i>	Reduces the airway obstruction and reduces bronchial inflammation.
<i>Glycyrrhiza glabra</i>	Acts as an anti-inflammatory and effectively soothes swollen airways.
<i>Rosmarinus officinalis</i>	Relaxes the smooth muscles of the trachea improving the overall breathing.
<i>Ocimum sanctum</i>	Provides relief from congestion and helps to breathe better.
<i>Rosa alba</i>	Rich source of Vitamin C that acts as an antioxidant and anti-inflammatory agent.

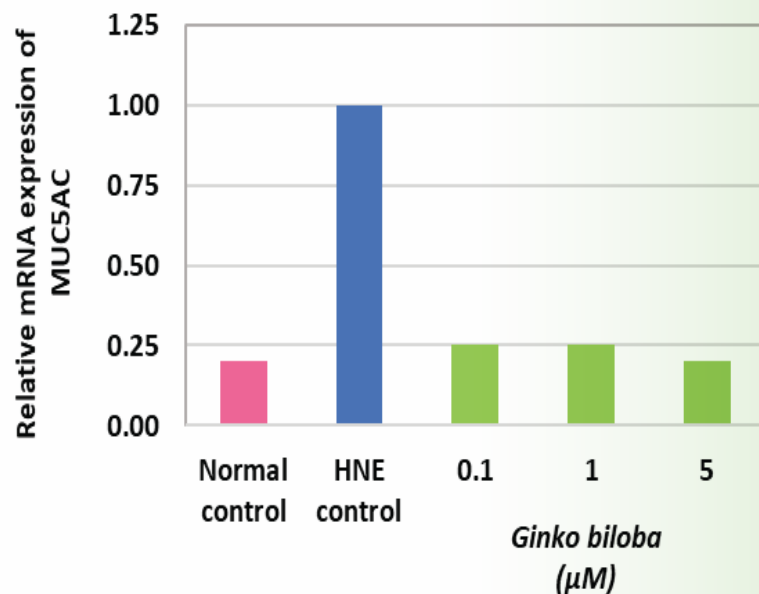

Efficacy claims

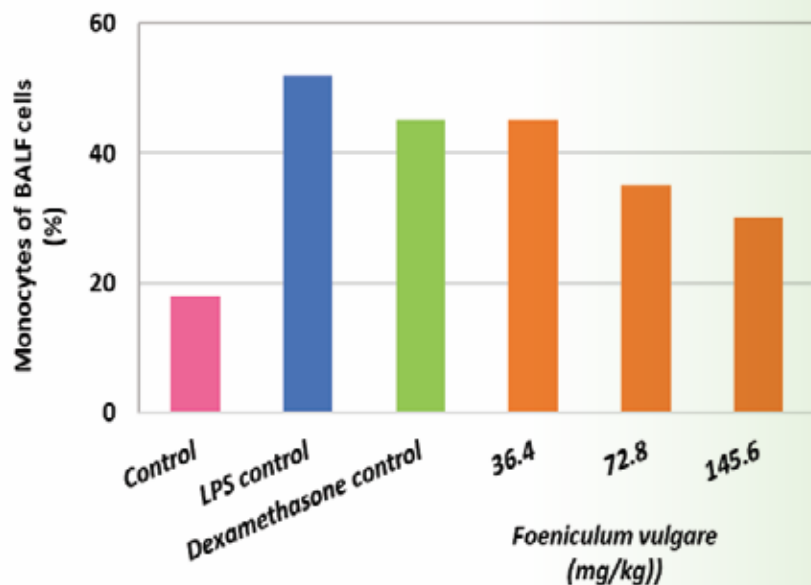

Ginkgo biloba and Foeniculum vulgare demonstrate activity against Bronchial infection

Activity against respiratory infection

Decrease in the MUC5AC mRNA expression in HNE-stimulated A549 cells

Decrease in the LPS-induced monocytes of BALF cells in rat
