

RadiaTea

For radiant skin and hair

A herbal tea comprising of the herbal extracts of *Rosa alba*, *Emblica officinalis*, *Taraxacum officinale* amongst others that helps to soothe the skin and scalp, boosts collagen production and detoxify the body thereby promoting radiating skin and hair growth.

Ingredients	Therapeutic Use
<i>Camellia sinensis</i>	Rich source of antioxidants that detoxifies the body.
<i>Zingiber officinale</i>	Increases the blood circulation that helps to promote the skin glow and stimulates hair follicles.
<i>Collagen powder</i>	Helps to maintain skin's elasticity and promotes skin and hair health.
<i>Emblica officinalis</i>	Rich source of vitamin C that prevents free radical damage.
<i>Rosa alba</i>	Has astringent and antibacterial properties.
<i>Taraxacum officinale</i>	Reduces skin inflammation and irritation while also increases hydration and collagen production.

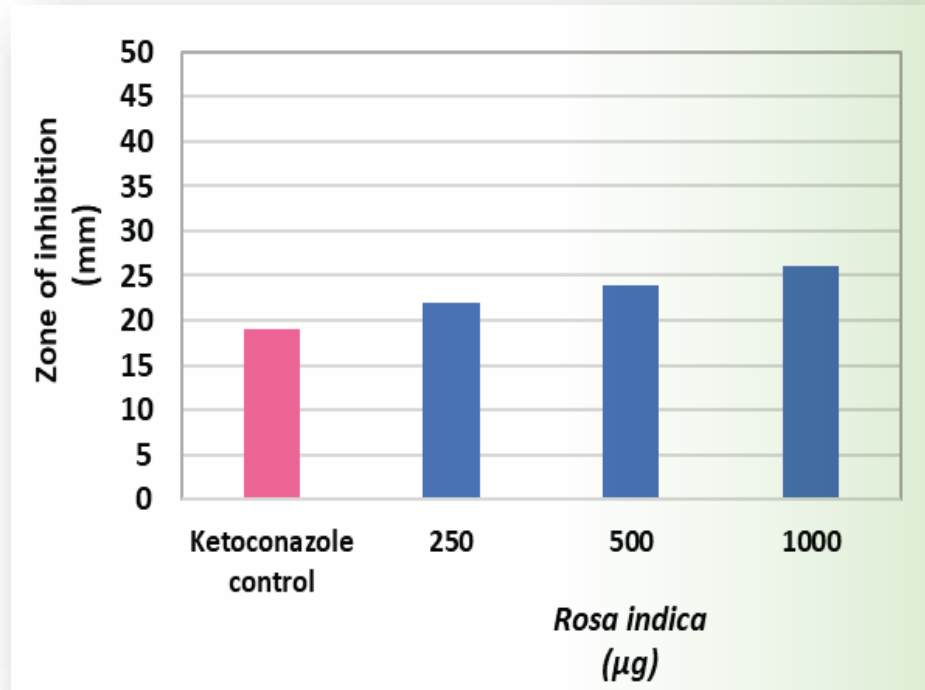

Efficacy claims

Rosa indica and Arectium lappa demonstrate antiaging activity

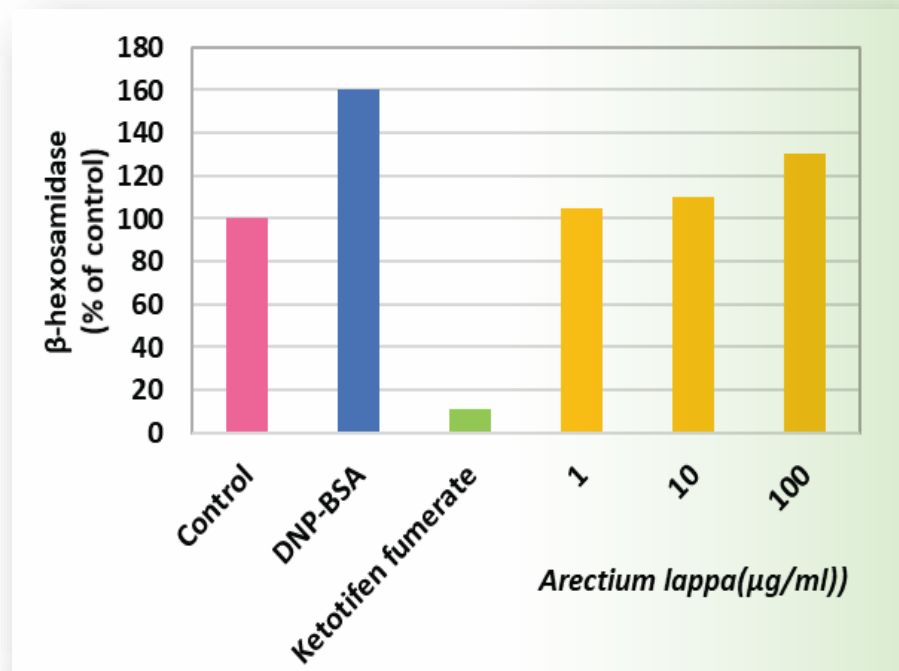

Antibacterial activity

Shows antifungal activity against candida albicans
